You, Mr. Bank Clerk, would you take in at the window gold or silver or paper mouey that has the slightest suspicion of counterfeit? Does a commission man buy and sell with his eyes closed? Yet they nearly all buy dry goods without knowing how they are made or what they are made of. Come and examine the goods we sell, the way they are put together, the fit and the hang of the garments. Ask questions and have the salesman or woman show the inside as well as the outside. Then you will see the difference between the genuine and the counterfeit.

FRIDAY EVENING, MAY 27, 1904.

Negro for President. Virginia negroes are acoused by a port from Tennessee that a movement is on foot there to call a convention to nominate a colored man for the presidency. Negro leaders in Richmond are in favor of such a move. They do not believe that the slighest chance of electing a negro exists, but they think it a most excellent political move in that it would organize the negroes throughout the union and keep them organized. Some negroes believe that the party so organized would hold the balance of power in the future and could control the election without put ing up a candidate of its own. Democrats believe that the day of the negro as a factor in politics is over. It has been years since he cut much of a figure in the south, and now northern States are talking of amending their constitu-tions so as to prevent the ignorant of the race from voting.

Realism on the Stage.

Realism in too large a dose was given at the Eagles' Hall, Philadelphia last night, when a farewell performance of "Under Two Fiags" was being played by the Casino Stock Company, Dorothy De Mayo, a local actress who played Cig-aret, fired a revolver full in the face of Craige Meyers, who was impersonating Black Hawk. The audience applauded, for it was scheduled "business" as they for it was scheduled "business" as they saw it and expected. But it was not so for the actor and actress. Miss De Mayo should have only pointed the pistol, but as a matter of fact she pulled the trigger, and the actor received the powder charge full in the face at short range. Meyers face was terribly burned. It was at the end of the third act, and as the curtain rang down to the usual tableau the audience was none the wiser for a while. dience was none the wiser for a while.

A Sure Thing.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre, of Shepherdstown, W. Va., says: "I had a severe case of Bronehitis and for a year tried everything I heard of but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by E. S. Leadbeater & Sons, druggists. Trial bottles free. Reg. Sizes 50c and \$1.00.

From the Chapin, S. C., News: Early a the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescrib-ed for us, but his medicine failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the online contains. using the entire contents we were en tirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale by Richard Gibson and W. F. Creighton & Co.
